- [Brother Embroidery Card #28](#)
- [Tear Away Stabilizer](#)
- Spray adhesive
- Decorative lace or trim or beads on a string
- Ready-made stocking

### Instructions

1. Purchase a ready-made Christmas stocking.
2. Open the side seam of the stocking.
3. Hoop a piece of tear away stabilizer then spray the stabilizer with spray adhesive while it is in the hoop.
4. Open up the stocking and position it on the stabilizer.
5. Gently press it in place.
6. Place Brother embroidery card #28 in the embroidery machine.
7. Select the desired design and embroider it on the stocking.
8. When the embroidery is complete, gently remove the stocking from the hoop and remove the stabilizer from the back of the design.
9. Set the machine up for sewing and sew decorative stitches around the heel and toe of the stocking.
10. Attach the lace, trim, or beads to the cuff of the stocking using decorative stitches or a straight stitch.
11. With right sides together pin the seam back in place and straight stitch closed.
